

Kathalaya has networked with more than 222 NGOs and over 1000 schools to take Storytelling to the nooks and crannies of the country. Kathalaya began as an NGO and Trust in 1998 and we have since then been working with the Government rural and NGOS through our training programs and workshops. We are still hoping to continue the same.

However, it will not be possible without building our corpus fund. Your support will go a long way in continuing to reach out to the deserving people who have been associated with us for a long time now.

Thanks in advance for your support. Every single one of you who contributes will make a large impact to our society.

**Please note donations accepted till April, 2022 only**
