The great story teller

Mrs Geeta Ramanujam gave us a new experience. Personally I have never heard a story teller except when I was a small kid !

The talented story teller has a silver tongue, loads of creativity, lots of acting with those dancing eyes, a beautiful mind and creativity. How easily she took us from the little lion and rat story to the great mystic story, a starting point of upanishad! The experience in Thiruvannamalai takes us to spiritual level. The theme is the very theme of life!

What a talented mono acting too! She is so many things at the same time.. for that time I turned a small child biting my nail literally waiting for the turn,!
Wonderful experience! Hoping to hear you more often in Ziva!

Thank you for a beautiful story session. All senior citizens zapped for an hour
